Overlays and Table Caps

A cap is fitted around the tabletop so the correct table size is necessary.

A cap is generally made in a 36" or 48" round to fit cake tables, cocktail tables, and sweetheart tables

Overlays come in 96" Rounds or 60" & 84" Squares. The 96" & 84" can be used for a 60" or a 72" Round table. The 60" can be used on a 36" Highboy or a 48" Round.
